ANNOTATION

STROITEL VD Ltd. based in Stara Zagora is one of the leading construction companies in Bulgaria, with the official statistics ranking the company amongst the Top 10 construction companies in Bulgaria. **STROITEL VD Ltd.** is a specialised engineering organisation which offers research, design, production, delivery and construction of pre-fabricated metal and monolithic industrial, residential and administrative buildings, or parts of them, as well as all kinds of construction maintenance of existing buildings and facilities.

The company benefits from its highly qualified experts and large technical resource, both of which increase productivity and improve organization of the working process. Thus, the company has achieved lower output cost and higher competitive advantage. Implementation of activities is of high quality corresponding to European and world standards, within shortened terms and at considerably more affordable prices than those of the competitors'. Thanks to its modern and flexible management, **STROITEL VD Ltd.** enjoys stable partnerships with a range of companies from Bulgaria, Germany, Serbia and Montenegro.

STROITEL VD Ltd. has been ISO 9001:2000 Quality Assurance System certified in conformity with the European standard, and is furthermore registered in the Central Professional Register of the Contractors under protocol № 15/13.01.2008 for execution of structures from I, II, III, IV and V group and is a member of the Bulgarian Construction Chamber under Registration № 240046.

The company owns also

The company owns production workshop with individual workshops for:

- Reinforcement works;
- Workshop for tinsmith's work and services;
- Aluminum joinery and glass packages workshop;
- Steel structure manufacturing workshop;
- Concrete production 150 m³/h;
- Machines and equipment – lathes, drilling machines, etc.;
- Construction mechanization;
- Small construction inventory;

Projects

We would like to offer to your attention a full up-to-date record of the company's projects in the country and abroad, which are executed or are in process of execution:

I	Serbia and Montenegro	23
II	Germany	3
III	Greece	11
IV	Bulgaria	149

I. In Serbia and Montenegro

Metal production units, which involve metal structures, Somatern panels, plasticized LT tin sheets, insulation, glazing with structural glass, sealed double glazed units and glass, metal doors and aluminum joinery.

1. Metal production unit 16/80/6 m - Alexandrovac /production unit, offices and two-storey residential building, turn-key completion, vertical planning and platforms/.

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

2. Metal production unit 12/30/5 m - Alexandrovac.

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

3. Metal production unit 12/30/5 m – Specter, Stopani.

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

4. Metal production unit 24/30/5 m – Vranechka Banya.

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

5. Metal production unit 18/30/8,5 m - Alexandrovac.

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

6. Metal production unit 20/80/8 m - Valevo.

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

7. Tow metal production units 12/60/4,5 m – Valevo.

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

8. Metal production unit 12/30/5 m - Valevo.

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

9. Medical cotton and bandages production plant, vertical planning, roads, platforms and fencing; full construction and assembly – Interform, Valevo.- production units- 18/36/6,50 m

- 19/50/6,50 m

- 10/36/6,50 m

Construction works: Building and installation of a metal structure; roofing panels; facades and joinery.

10. Metal production unit 30/36/6 m – Kula

Investor: Zito Media, Kula, Serbia

Construction works: Metal structure building and installation; roofing panels; facades and joinery.

Main contractor: Stroitel VD Ltd., Stara Zagora, 2000

11. Metal production unit 20/40/5 m – Valevo

Investor: Darvoimpeks, Valevo, Serbia

Construction works: Metal structure building and installation; roofing panels; facades and joinery.

Main contractor: Stroitel VD Ltd., Stara Zagora, 2000 – 2001 r.

12. Metal production unit 14,5/24/7,5 m – Valevo

Investor: Royal Viking, Valevo, Serbia
Construction works: Metal structure building and installation; roofing panels; facades and joinery.
Main contractor: Stroitel VD Ltd., Stara Zagora, 2001 r.

13. Metal production unit 15/144/5 m – Kula

Investor: Zito Media, Kula, Serbia
Construction works: Metal structure building and installation; roofing.
Main contractor: Stroitel VD Ltd., Stara Zagora, 2001

14. Metal production unit 19/68/8 m – Kula

Investor: Zito Media, Kula, Serbia
Construction works: Metal structure building and installation; roofing.
Main contractor: Stroitel VD Ltd., Stara Zagora, 2002.

15. Metal production unit 30/35/6 m – Kula

Investor: Zito Media, Kula, Serbia
Construction works: Metal structure building and installation; roofing.
Main contractor: Stroitel VD Ltd., Stara Zagora, 2002.

16. Metal production unit (30+30)/35/6(8) m – Kula

Investor: Zito Media, Kula, Serbia
Construction works: Metal structure building and installation; roofing; facades and joinery.
Main contractor: Stroitel VD Ltd., Stara Zagora, 2002.

17. Metal production unit – Kula

Investor: Zito Media, Kula, Serbia
Construction works: Metal structure building and installation, roofing, joinery, etc.
Main contractor: Stroitel VD Ltd., Stara Zagora, 2003.

18. Metal production unit 18/36/6 m – Valevo

Investor: Chetnik, Valevo, Serbia
Construction works: Metal structure building
Main contractor: Stroitel VD Ltd., Stara Zagora, 2003.

19. Metal production unit 15/42/4.5 m – Valevo

Investor: Mond Oil, Valevo, Serbia
Construction works: Metal structure building
Main contractor: Stroitel VD Ltd., Stara Zagora, 2003.

20. Metal production unit 9/18.4/5 m – Valevo

Investor: ABC - test, Valevo, Serbia
Construction works: Metal structure building and installation

Main contractor: Stroitel VD Ltd., Stara Zagora, 2003.

21. Installation of metal production unit – Valevo

Investor: Edil Style, Valevo, Serbia
Construction works: Metal structure installation
Main contractor: Stroitel VD Ltd., Stara Zagora, 2003.

22. Installation of metal production unit – Valevo

Investor: Edil Style, Valevo, Serbia
Construction works: Metal structure installation.
Main contractor: Stroitel VD Ltd., Stara Zagora, 2004.

23. Metal production unit 15/144/5 m – Kula

Investor: Zhito Media, Kula, Serbia
Construction works: Metal structure building and installation; roofing.
Main contractor: Stroitel VD Ltd., Stara Zagora, 2004 - 2005.

II. In Germany

1. Walfer Bau AG – 81677 Munich, Klausenburgerstrasse 9

- Administrative building, Frankfurter ring 115, 80807 Munich, 2000.

Construction works: Building construction - shell

2. Dipl. Eng. Emil Hoenninger GmbH & Co –85614 Kirchseeon, Siriusstrasse 6

- Houses from 2 to 6 with underground garages in Unterhaching, Orchideengarten № 3048/49, 3088/89, Munich, 2001.

Construction works: Building construction - shell

- Houses from 1 to 12 with underground garages, Schopenhauerstrasse № 3, Munich, 2002.

Construction works: Building construction - shell

- Culture centre – Milbershofen, plot 341/2, Schleissheimerstrasse 334 – 338, 80809 Munich, 2003-2004.

Construction works: Building construction - shell

3. Walfer Bau AG – 885609 Aschheim

- Administrative building, Praelat - Wellenhoffer-strasse plot 167/9, 81377 Munich - 2003-2004.

Construction works: Building construction - shell

- Administrative and residential building, Lohengrinstrasse 1, plot № 288/8, 81925 Munich - 2004

Construction works: Building construction – shell

III. In Greece

Production and delivery:

Prefabricated metal structures for production units in Orestiada, Thessaloniki, Kamotini - 11 metal production units, two of which included delivery and installation of metal framework with 33 m clearance - 1993 - 1998.

IV. Major construction projects in Bulgaria:

1. „Multifunctional commercial and entertainment complex” в PLOT I-45, 46, 208A quarter, land "Gradinski sever", Stara Zagora

Investor: **Galleria Stara Zagora JSC**, Stara Zagora
Construction works: Building constructions, Finishing works, Water supply & sewerage, Electrical works, Fabrication and erection of steel structure.
Main Contractor: **Stroitel VD Ltd.**, Stara Zagora

2. Megamarket Roda (Merkator) in „Multifunctional commercial and entertainment complex” в PLOT I-45,46, 208A quarter, land "Gradinski sever", Stara Zagora

Investor: **Energoplan d.d.**
Construction works: Finishing works and Water supply & sewerage.
Main Contractor: **Stroitel VD Ltd.**, Stara Zagora

3. Multi-functional retail and entertainment complex GALLERIA BURGAS, located in plot I-125 quad. 53, Industrial zone North - Burgas

Investor: **Galleria Burgas AD**, Sofia
Construction works: Steel structure
Main contractor: **Stroitel VD Ltd.**, Stara Zagora

4. Meat processing plant for KEN AD plot V-515 ,Quarter 8 „Golesh” pursuant to the plan of Stara Zgora

Investor: **KEN AD**, Stara Zagora
Construction works: Building constructions, finishing works, water supply and sewage, heating and ventilation, electric fittings
Main contractor: **Stroitel VD Ltd.**, Stara Zagora

5. Factory for fabrication of saves and metal furniture, Property 0007111, Kazanlak

Investor: **Promet safe EOOD**, Kazanlak
Construction works: Building construction, Architectural construction, Water supply and sewage, Erection of steel structure.
Main Contractor: **Stroitel VD Ltd.**, Stara Zagora

V. Projects in Bulgaria in chronological order

1. Addition to machine-building plant „Beliza”, Kilifarevo, which belongs to the economic unit Hranmash chain.

Investor: **SO Hranmash**
Construction works: Production units, boiler unit, heat distribution networks, vertical planning, and correction of the riverbed flowing past the western wall of the plant, water supply and sewage, electrical wiring, heating and ventilation, building reservoirs of 5000 m³, 8000 m³ etc.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1992.

2. Company's own storage facility on a plot expropriated from the land of the village of Hristeni, on an area of 4 acres;

Investor: **KOOP Stroitel – DD**
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation and MT
Main contractor: **KOOP Stroitel – DD**, Stara Zagora, 1992.

3. Mineral water production and bottling plant - Bratsigovo

Investor: **Sotirov and son** – Sofia and the Municipality of Bratsigovo.
Construction works: Production unit built following modern technology; office building; store; reservoir; switchgear kiosk and diesel generator station; fuel storage facility; heat-distribution, water supply and sewage piping, roads, parking plots, fences and automated gates, correction of the river bed flowing past the plant and a special drainage covering the whole area of 15 000 m², which has been fully taken out of the mountain land massive, Construction works: building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation MT, control measurement instruments and automation, building reservoirs.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1993-94.

4. Kurdzhali – Ekip International production facility

Investor: **Ekip International**, Kurdzhali
Construction works: Production facility including a production unit, storage facilities, fences, vertical planning of all construction and installation activities works.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1995.

5. Repairs to production units and fences of Serdika, Stara Zagora

Investor: **Serdika**, Stara Zagora
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, etc.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1996.

6. Research and production complex, Silistra – a joint venture with US, Russian and Bulgarian participation;

Investor: Russian and Bulgarian participation
Construction works: A building for biotechnologies, steam unit, heat-distribution piping, diesel-generator unit, compressor unit, offices and storages for storing finished goods, Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, etc., turn-key construction in all construction areas.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1994-97.

7. Kalvacha building projects, Stara Zagora: Industrial and storage facility, offices, luxury car showroom, European level training center, river bed correction and a unique water power plant. ;

Investor: **Kalvacha**, Stara Zagora
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, etc., turn-key construction in all construction areas.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1993-98.

8. Luxury restaurant – Kolyo Ganchev res. area, turn-key construction, Stara Zagora;

Investor: **Milanov – Stara Zagora.**
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, etc., construction in all building areas.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1993.

9. Three-storey Mall – Dedov, with underground garage and unique glass roof- Stara Zagora;

Investor: **FIG Dedov – Stara Zagora**
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, etc., in all construction areas.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1995.

10. Offices, production and storage facility for TK Efir - Stara Zagora;

Investor: **TK Efir - Stara Zagora**
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, etc.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1995-96.

11. Residential Building – Europa Company - Stara Zagora;

Investor: **TK Efir - Stara Zagora**
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, vertical planning, platform, roads.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora,

12. Offices, industrial and storage facilities for Kontragent-35, Stara Zagora, area

exceeds 3500 m²;

Investor: **Kontragent – 35**, Stara Zagora
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, vertical planning, platforms.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1995-96.

13. Ezeroto Complex, four stars, includes hotel, luxury restaurant, pub, bar, café, with world class exterior and interior;

Investor: **Stroitel GROUP**, Stara Zagora
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring, heating and ventilation, vertical planning, platforms.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1995-97.

14. Zagorka brewery – addition to the production and storage facility;

Investor: **Zagorka JSC**, Stara Zagora
Construction works: Building construction, finishing works, water supply and sewage, etc. Vertical planning and platforms.
Main contractor: **KOOP Stara Zagora-DD**, Stara Zagora, 1995-96.

15. Storage and production facility for tin sheet bending – village of Bolyartsi, District of Plovdiv, which includes industrial units and storage facilities, offices, vertical planning, platforms and roads;

Investor: **Sole Trader Lamarina**, Plovdiv
Construction works: Building construction finishing works, water supply and sewage, etc., vertical planning, platforms,
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1996.

16. Concrete garages, made of visible concrete with special PERI large-area shuttering, imported from Germany, with reversibility exceeding 10000:

- **Sofia - Investor Vidira - 1996 - 1997.**
 - **Stara Zagorar – four sites of more than 20 garages -1996,1997.**

17. Residential buildings in Plovdiv, vertical planning, turn-key completion. Main contractor in all construction stages and areas.

- **4 Trudovak Str.**

Investor: **Vektor V – Vasko Bliznakov**, Plovdiv
Construction works: Building construction, finishing works, water supply and sewage – turnkey completion.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1996-97.

- **41/ 43 Jean Jeores Str.**

Investor: **Petko Stoyanov**, Plovdiv
Construction works: Building construction, finishing works, water supply and sewage – turnkey completion.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1997.

18. Overhaul of the SOD office building in Kazanlak;

Investor: **SOD**, Kazanlak
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1996.

19. Building sites on the territory of the municipality of Radnevo

- **Municipal office building;**
- **City hospital;**
- **Schools and day cares;**
- **Overhaul of the city stadium, including finishing works, building construction, electrical wiring, water supply and sewage, heating and ventilation**

Investor: Municipality of Radnevo
Construction works: Building construction, finishing works, water supply and sewage, electrical wiring.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1994 и 1997-98.

20. Residential building in Stara Zagora at the intersection of Bratya Zhekovi Str. and Tsar Ivan Asen Str. with total constructed area of 2100 м²;

Investor: **Stroitel Group**, Stara Zagora
Construction works: Building construction, finishing works, water supply and sewage, turnkey completion
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1996-98.

21. Overhaul of the BULBANK office in Stara Zagora - 1997;

22. Car servicing station in the village of Bogomilovo which includes maintenance unit, car washes, boiler unit, car baking chamber, vertical planning, platform networks, fences, offices, water treatment station;

Investor: **Sole Trader Krasimira Dicheva**, Stara Zagora
Construction works: Building construction, finishing works, electrical wiring, water supply and sewage, heating and ventilation, MT - turnkey completion
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1997-98.

23. Water supply and sewage; pump and water treatment plant in the village of Sinemorets;

Investor: Municipality of Tsarevo
Construction works: Water supply and sewage, restoration.
Main contractor: **KOOP Stroitel-DD**, Stara Zagora, 1998.
